President's Report

We are just starting a new term of office at the Legion as our year end is May 31st.

I am happy to report that we have a full Executive. I am pleased to welcome Monica Carere, Trish Frizzell, Bernice Ribey and Craig Bell. I am sure that their much needed younger views of things will be a great asset. I would also like to thank the outgoing Executive for their years of service.

I would like to thank the general membership for allowing Rhonda and I to attend the Provincial Convention. It was a long few days on the convention floor listening to Resolutions, Provincial Chair reports, presentations and elections. It was very informative and approximately \$600,000 (594,544.05) was donated for all of the various charitable committees and including approximately \$97,000 (96,560.60) for service dogs. As a footnote, we had 5 service dogs at the convention so we could see how important these animals are to our veterans.

Cde Derek Moore, District C, has been elected Provincial President and Cde Lynn McClellan, District C newly elected 1st Vice President. We have known both of them for many years and I am confident they will do a great job.

We will be starting our Friday BBQ on June 3rd. A calendar of dates will be provided in this issue. Please contact Rhonda at 519-389-4806 or email at bnrshow@eastlink.ca if you would like to volunteer a couple of hours. Volunteers are needed for cooking, set-up/clean-up. Food donations of salad or dessert would be greatly appreciated. Let Rhonda know so we can determine what week would be suitable to avoid duplication of services and donations.

I am pleased to report that our flat roof has been replaced and we have no current problems. We are looking at future maintenance needs.

Please plan to attend our General Meeting on Tuesday, June 7th at 7:30 as we have invited Mike Myatt and his team to do a short presentation on the Lamont Park facility. The Committee is asking for our support for this project.

This will also be the last General Meeting until September so if you have any issues please bring them forth at this time.

President Robert Harrison

Membership Report

Hello Comrades. Membership has calmed down now and it is time to get caught up with people that have not paid their membership for this year.

There was one initiation this month. I would like to welcome Jack Chatterton as a new member. Jack is a veteran and is 92 years old. He has never been a Legion member and always wanted to join. I am glad he decided to join our Branch.

We did have some interesting happenings this month. I still have two people to initiate. They have been busy with farming and traveling. I contacted them last week and they were in Saint John Sur Richelieu watching their son graduate from basic training. Exciting for them and I hope to get them initiated this week.

To date we have 413 paid up members. 2022 membership stickers are located at the bar in our Club Room. If you have not renewed your 2022 membership please consider doing that. You can make your payment:

- On line by going to Legion.ca on the computer
- Come into the Branch when we are open (3 - 8 pm Monday to Saturday; Wednesday 3 -10 pm)
- Contact me at dankelly@bmts.com to make other arrangements.

I would like to congratulate Craig Bell for joining the Branch 340 Executive. Craig will be your Membership Chair starting June 1st. Good Luck Craig, I know you will do well.

We will remember them

Poppy Report

Again, while this report may seem somewhat repetitious, it remains that our Veterans' needs are a year around endeavour and this year's Poppy Campaign success will mean that more funds are available to be used to address their most urgent needs. We appreciate any donations made throughout the year. Each year we have Veterans and projects that need assistance.

As always, if any member is aware of any veteran, *whether a Legion member or not*, who may need assistance, please do not hesitate to contact me at alex.taylor@bmts.com or Trish Frizzell, our Branch Service Officer, at legion340@trishfrizzell.com who can contact the veteran directly to assess any support that may be required. .

As the limitations put on us due to the COVID-19 pandemic have now been lifted, we look forward to seeing you, our members and friends, at the growing number of events we are able to participate in over the upcoming months as we continue to strive to assist and comfort our Veterans who have served us so well!

Lest We Forget!

In Comradeship,

Branch 340 Ladies Auxiliary

Happy June to you all, it's starting to feel a little more summery. My small veggie garden is planted and growing.

It is nice to see that the Town is having several of the tree stumps being carved into animals at Northshore Park. Go for a drive or a walk and check it out. The September storm took down a multitude of trees in that area.

The Ladies are getting busy in the kitchen with several Celebrations of Life; we're renting out the kitchen as well to those who prefer to bring in their own dishes for birthday parties, showers, anniversaries etc., so think of us if you are planning a party. The upstairs hall is an excellent choice. Just give us a call and we can show you around.

We're currently not catering any full course dinners as we just don't have the man power or should I say lady power to do this to the high standard that we desire. Perhaps with some additional new 'youngish' members we can get back to our regular menu.

Our current membership sits at 27, I'm happy to say that we have one new member who we initiated at our May meeting. We welcome Susan Hamer to our group.

We are planning to set up a booth with information about our group at the local Marine Festival which is happening on July 23rd in Southampton. We will be setting up a putting green for the children with prizes to be given for achievements and at the same time will give information to the 'Moms' in hopes of attracting some new members.

Interested in becoming a member, join us at our monthly meeting. We are in desperate need of new members. Our monthly meetings are every 2nd Tuesday of the month in the upstairs hall at 7:30 pm.

Next meeting is Tuesday, June 14th at 7:30 pm

Thank you everyone for your help and support and stay healthy.

The Royal Canadian Legion 52nd Ontario Provincial Convention May 14-17, 2022

Branch 340 delegates attended the 52nd Provincial in North Bay from May 14-17, 2022. There was a full roster of business, reports, resolutions and presentations to cover as we have not had a Provincial Conventions since 2019. This was also an election year and all voting ballots and proxy votes were very important to elect what Comrades will be leading us through the next coming term.

It is my pleasure to inform you that 2 of the elected officers are from our very own District "C" and they send a message to all of our readers.

Cde Derek Moore, Provincial President

Comrades at Branch 340 Port Elgin and District "C" I would like to take this opportunity to thank you all for the support over the years which has finally culminated in me being elected Provincial President, Ontario Command.

Sadly though not the entrance that I was planning on. My body and my surgeon had other plans. This all began a few years ago when I applied for a "B" Driver's License so I could drive a school bus for a local Mount Forest Company. It was during that process, the medical to be precise, that they discovered I had a heart murmur, not a big deal at the time but something that had to be monitored going forward. Well as they say, "it's all in the timing". Shortly into the New Year I was told the murmur now required surgery and fairly soon, I knew then it was going to screw something up, I'm just not that lucky. Sure enough May 10th was the chosen date at St. Mary's Hospital, Kitchener, the procedure, Aortic Tissue Valve and Ascending Aortic Replacement. Not quite the way I had planned on starting my 3 year term as Provincial President. Never the less the surgery went well, and the elections went well. I am looking forward to serving this Command, fully committed as always. I have an excellent team of officers and staff whom I know I can work with in guiding this command through what I can see as being a difficult three years as we try and recover from this terrible COVID pandemic which has kept a few of our Branches closed only now just starting to open their doors again to some kind of business.

The theme for the Provincial Convention, "Working Together", is the theme I will be continuing to promote throughout this term. Comrades for us to succeed we will need to be able to "Work Together". Time to put aside those petty differences, we call ourselves Comrades well it's time we started to act like Comrades more often and work towards making our Legion and our Branches a more welcoming place to be.

Comrades I wish you all an enjoyable and pleasant summer and I hope Trish and I will get the opportunity to stop in and visit sometime.

Stay safe.

Derek Moore

Provincial President

Cde Lynn McClellan, Provincial 1st Vice President

I would like to thank all of the members of Port Elgin Br. 340 who supported me in North Bay. I am very excited to be able to represent all of you and all of my comrades in District "C". I look forward to the next three years working with Comrade Derek and everyone at Provincial Command.

After they went into the locker room, another golfer who had heard the old guys talking about their game went to the pro and said, "I've been playing golf for a long time and thought I knew all the terminology of the game, but what's a rider?"

The pro said, "A rider is when you hit the ball far enough to actually get in the golf cart and ride to it."

We Will Remember Them

Murray MacKay Winchester

Murray Winchester was the uncle that our friend Jane Kramer never got to meet.

He was born in Victoria, British Columbia on February 3, 1896, and he was an older brother to Jane's dad, Paul. Their parents were Euphemia and Alex, who was a Presbyterian Minister. In 1901, the family moved to Toronto where Alex became the Senior Minister at Knox Presbyterian Church on Spadina Avenue. He served there until 1919. The family lived at the church home at 30 Spadina Avenue.

As a young man Murray left school and worked at the local Bank of Montreal. With the war raging in Europe, he enlisted in the Canadian Expeditionary Force on April 3, 1916. He signed up to the "220th" (York Rangers) which was a Reinforcing Battalion. He applied for and was granted an officer's commission.

Training began in Toronto, and it was 6 months later that on September 26, 1916 he left for England from Halifax, arriving in Liverpool on October 10, 1916. He immediately went to Shorncliffe in Kent. This was a staging centre and training depot for Canadian Forces destined for Europe and France. He finished his training session on December 29, 1916 and was assigned to the 12th Reserve Battalion at East Sandling, which was the final training camp to prepare soldiers for trench fighting and also to await assignment to go to the wars front.

While training at East Sandling, close to the English Channel, Murray came down with tonsillitis on February 9, 1917 and was hospitalized for 4 days. Then on March 20, 1917 he got his call to the front and was assigned to the 75th Battalion. The 75th was battle hardened.

They had been formed in Toronto in early 1915 by Lieutenant Colonel Samuel G. Beckett who had been trained as a cavalry officer with the 9th Mississauga Horse. The 75th had been in Europe since arriving in England in April 1916. They had seen their first trench action in Belgium, that August, and then in France at the Somme and they had fought with distinction at the Regina and Desire Trenches later that year.

On the night of February 28 – March 1, 1917, the 75th was part of a multi-battalion sized raid on German positions at Hill 145 at Vimy Ridge. This was in preparation for the larger assault planned for 5 weeks later. A total of 1,700 from all ranks participated with 491 from the 75th. The battle involved the use of phosgene gas by the Canadians. This warned the Germans that an attack was coming, and they were fully prepared. The 75th lost 9 officers and 112 other ranks from their total of 491 that had participated. Included in the deaths was their commanding officer, Lieutenant Colonel Samuel Beckett.

These losses so depleted the 75th Battalion that its participation in the planned main battle at Vimy Ridge was greatly weakened. It was this event that also meant that Murray MacKay Winchester got the call to come to France and join the 75th Battalion. He arrived in France on March 24th and joined his group on the 26th. It was only a mere 14 days later, on April 9, 1917, at 0530 that the greatest battle ever fought by a Canadian Army began.

The 75th Battalion was in the middle trenches right in front of the dug in German trenches. It was the Junior Officers that led the challenge out into No Man's Land. The 75th was one of the first to lead the attack. At 1500 hours the area assigned to the 75th was reported cleared and 40 German soldiers were brought in as prisoners. The next morning Lieutenant Murray MacKay Winchester did not answer roll call and was reported "Missing in Action". The battle on Vimy Ridge continued until April 12 when the Canadians very proudly declared victory.

The final entries in the military record for Lieutenant Winchester read:

- Reported Missing between April 9 & 12, 1917
- All available evidence has been collected regarding the above-named missing soldier. Neither this office, the unit, the Base, nor the Canadian Red Cross Society, has any information suggesting that he may still be alive.

- Previous reports of missing, now for official purposes, are that he is presumed to have died on or since April 9, 1917.

Murray Winchester is named on the Vimy Memorial along with 11,824 other Canadian soldiers who died in France during that horrible war and whose final resting places are unknown.

Every year thousands of Canadians and others visit the Vimy Battlefield and the Memorial. This sacred land has been deeded to Canada by France. The information centre is staffed by McGill University students.

On April 3rd, 2003 the Canadian Government passed Bill C-227 declaring that April 9th would forever more be known as “Vimy Day”.

The preamble to the bill reads:

WHEREAS, the Battle of Vimy Ridge on April 9, 1917 was the first time that Canadians from coast to coast fought together against a common enemy;

AND WHEREAS the battle of Vimy Ridge is considered by many to be a turning point for our country and the beginning of Canada’s march towards Nationhood;

NOW; THEREFORE Her Majesty, by and with the advice and consent of the Senate and House of Commons of Canada enacts as follows:

1. *This act may be cited as the Vimy Ridge Day Act.*
2. *Throughout Canada, in each and every year, the 9th Day of April will be known as “VIMY RIDGE DAY”.*
