President's Report

Well folks it looks like Fall is upon us. No more 30° days of sunshine on the beaches and patios. However, I know of a nice warm place where you, your family and friends can come and share your tales of summer fun. It's your Legion Branch.

Without your support our Branch will be in trouble. We need all of our members to come in and support us if only for a couple of hours each month. Every visit helps.

We are pleased the Pool and Dart leagues are on-going. Pool tables, dart and shuffleboards boards are always ready to use in the Games Room.

Your Executive has been working hard to make sure our Branch is the best it can be. We have attended all relevant seminars and have been well represented at Conventions. All of our business and financials are up to date.

Please bring forth any ideas you might have to make our Branch more appealing. Remember there is no such thing as a bad idea.

I hope to see you, your friends and any ideas at the Branch soon.

President Robert Harrison

Poppy Report

Dear Comrades:

Preparations for our **2022 Poppy Campaign is underway and will run from Friday, October 28th to Friday, November 11th.**

While COVID is not completely eliminated, we expect that we will still have to take some precautions with personal canvassing at a distance with masks recommended and a separate table (i.e. a folding table) where possible will be set up to hold the Poppy Box and our TipTapPay machines (*we will have 3 this year*) so social distancing can be maintained and the money insert holes will again be made a little larger so that donations can easily be deposited by those making the donations.

Approval for Air Cadets to participate in the Poppy Campaign has been delegated to the RCSU (Regional) COs and they will be able to authorize based on local COVID and PHM conditions.

Again, we will have an Ad Mail Campaign. Envelopes and return Donation envelopes pre-printed along with a small information insert which I expect will be ready by the end of September/early October. This mass mailing campaign for our Legion will again require very strong Branch member volunteer support and to date I really appreciate the number of new members who have offered to help as well as many of you who have helped in the past. It is a big job and any new volunteers will be gladly accepted to put together the 4,200 Poppy Campaign mailing packages needed to be sent to Port Elgin households. We expect to have afternoon and some evening sessions to assemble the mailing packages as well as Poppy bags for our counter Poppy boxes (100+ will be needed). An email schedule with further details will be sent out to all those who volunteer as soon as we receive the printed materials. The actual Ad Mail packages will be delivered to the Post Office on the afternoon of October 27th so that they are in the mail for the start of the Poppy Campaign, Friday, October 28th.

Hopefully, we can count on your support this year by volunteering to put mailing packages together and/or as a canvasser where needed.

Uniforms are not required to canvass. All canvassers will be provided with Volunteer Ribbons.

Canvassers will be required starting Friday, October 28th and be required Monday thru to Saturday during the 1st week of the Poppy Campaign and then Monday thru to Thursday November 10th in the second week. Daily time slots are 9 am-11 am, 11 am-1 pm, 1 pm-3 pm & 3 pm-5 pm.

Volunteer Canvassers, please email me at alex.taylor@bmts.com or phone me at 519-389-2616 with your preferred day(s) and time(s). I will regularly post on a bulletin Board in the Club Room, those days/times already filled. Please contact me directly with your preferred dates and times. DO NOT ADD to list on the Bulletin Board.

Why are personal canvassers so important? First, donations are doubled to quadrupled when a live canvass volunteer is present vs. an unattended Poppy Box. In cases, where corporate policy will not allow us to put a Poppy Box(es) in a store, it increases our collections from that location from 0% to 100% when a canvasser is present.

Our 2021, Poppy Campaign successfully raised over \$40,000 and we have provided funding or donated over \$35,000.00 in support of our Veterans and their families. A very determined effort by our Branch will again be required to repeat last year's success!

The success of our Poppy Campaign in 2022 more than ever will rely on you, our Poppy Campaign mass mailing and canvasser Volunteers.

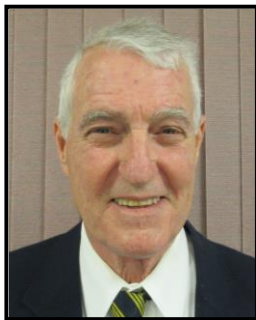

Please send me an email expressing your interest in Volunteering and your contact details. I look forward to hearing from you. I will ensure that you will be personally contacted and offered a role. Your time will be greatly appreciated to make our 2022 Campaign another success!

Branch 340 Ladies Auxiliary

Hello and welcome to shorter days and cooler nights.

We're here to help you celebrate whatever occasion you may want to have. We continue to provide sandwich lunches for Celebrations of Life at a cost of \$9.00 per person. We are also available to provide soup and sandwich lunches for personal or business functions at a cost of \$10 per person.

Please keep in mind that we also rent out our kitchen so plan your party, bring in your own already prepared food and use the kitchen to warm or keep cool until ready to serve.

We are also going to allow a trial period of renting out our kitchen to eligible caterers (licensed and insured) who will provide full dinners prepared in our kitchen, with the holiday season coming up I am sure there will be plenty of interest for this and the hall will once again be utilized.

This meant that there were changes that needed to be made to our "Rules and Regulations" which we voted on at our September meeting.

Interested in becoming a member, join us at our monthly meeting. We are in desperate need of new members. Our monthly meetings are every 2nd Tuesday of the month in the upstairs hall at 7:30 pm.

Next meeting is Tuesday, October 11th at 7:30 pm

Thank you everyone for your help and support and stay healthy.

 Fall Council and Convention
 Sunday, September 25, 2022**

Zone C-4 Legionnaires gathered at Chatsworth Branch 464 for our Fall Council and Convention on Sunday, September 25, 2022.

The Council Meeting included reports from Branch Presidents and the consensus is that business is being handled well by the respective Branches.

After the session, it was time for our parade at the Chatsworth monument. It was a very nice day for the service and then back to the Branch for some lunch. .

The afternoon Convention session heard the Zone Officer's Reports and again the reports were well done.

Members from the other Zones in our District had Zone Cmdrs. and the LA Cmdrs. being represented. Comments included their thanks for the invitation; reports were informative and a well-run meeting in general.

The District C Convention will be held on Sunday, October 16, 2022 at Guelph Branch 234.

OPERATION MANNA – April 29, 1945

For the people of the Netherlands, the winter of 1944/45 was referred to as “Hongerwinter” or hunger winter”. They lived in starvation as food supplies had been cut off by the German occupiers and this, paired with a lack of fuel for heating their homes, led to an estimated 20,000 civilian deaths.

By April, half of the country had been liberated but for those in the central and northern part the suffering continued. Starving people were eating tulip bulbs to survive.

Negotiations for a truce to allow the unimpeded delivery of food by an airdrop was negotiated by Prince Bernard of the Netherlands, with the permission of Winston Churchill and Franklin Roosevelt. The Germans were represented by Reichskommissar Arthur Syess-Inquart. The major obstacle was that the German anti-aircraft artillery was positioned to shoot flak up at the Allied bomber formations on the way to

their raids over Nazi Germany. Another issue was the British, Canadian and allied armies were still pushing forward in the area where many of the rations would need to be dropped.

The negotiations were held with the assistance of Swiss and Swedish emissaries. As well there was a Russian representative present. The deliberations resulted in Operation Manna, named after an episode in the book of Exodus when food was miraculously provided to the Israelites. One of the key agreements was that certain corridors would be "open" allowing Allied airmen to fly through, with the promise from the Germans that they would not be fired upon by anti-aircraft artillery. The fact that the planes would be flying at 400 feet or below (for the safety of the parcels) gave much for the crewmen to be worried about. The date selected for the British to start was April 29th. Included with the British RAF were squadrons from the Australian, Canadian, New Zealand and Polish air forces. Seven thousand tonnes of food were prepared for the drop. Included were such staples as dried eggs, milk powder, salt, margarine, dried yeast, mustard, cheese, luncheon meat, tea, chocolate, and white flour for what the Dutch would call "liberation bread".

The following are excerpts from a book by Ted Barris titled "Days of Victory".

The April 29 plan called for 16 Lancaster Bomber aircraft from Squadron 625 to depart their base in Britain. They would be joined by 242 other Lancaster bombers and dozens of Pathfinder Mosquito Bombers enroute to the Dutch Coast.

One of the 625 Squadron aircraft was piloted by Captain Joe English from Calgary with his crew of four Canadians, one Briton and an Australian. They had previously completed 30 bombing operations which would have accounted for a full tour of duty. They had named their aircraft "M for Mabel".

Upper mid-gunner Burke Thomas from Cardston Alberta was instructed to place plastic caps over the muzzles of every gun and to not fire unless fired on.

On route to the Dutch coast "M for Mabel's" navigator, Harvey Gottfried had been briefed that drop zones would be clearly marked with green lights and white cloth crosses on the ground. Gottfried had to navigate the Lancaster through a cloud base at about five hundred feet as well as rain and snow showers. They reached the Dutch coast, just after 1:30 p.m. and the clouds had dispersed, and visibility had improved.

Gottfried, normally would never leave his post but this being a daylight trip, he ventured to a nearby window to witness history in the making. Looking down, the navigator from "SAUGEEN ONTARIO" could see the German anti-aircraft guns and knew that if they fired, the damage they could cause to the Lancaster would be disastrous.

At this point I stopped reading the book and thought about this: A local guy from our community was right there at this most important moment in time.

Before we talk about Harvey Gottfried, let's wrap up April 29, 1945.

By days end, 246 Lancaster's had flown from bases North of London and 239 of them had successfully dropped more than five hundred tons of food at four appointed Dutch drop zones – the Waalhaven aerodrome, the Ypenburg airport, the Valkenburg airfield and the racetrack near The Hague.

The food drops continued until May 7th the date of Germany's surrender.

What a wonderful way to end that horrible war. And a young man from our community played a part in making life better for many.

For the Story of Harvey Gottfried read next month's newsletter.

WE WILL REMEMBER THEM
