## President's Report

As we embark on a new term for our Executive I would like to thank the outgoing Executive members for their years of service and welcome our newly elected Executive.

We still have an ongoing list of repairs to complete to keep our Branch safe and looking good. The new lighting package has arrived and is being installed.

As we move forward with some of this year's events: Bingo, Friday BBQ and other maintenance projects we are still in need of volunteers. If you would like to volunteer contact Rhonda, myself or leave your contact information with the Bar Steward. Your help would be greatly accepted.

I hope to see you soon at the Branch.

Returning home from work, a blonde was shocked to find her house ransacked and burglarized. She telephoned the police at once and reported the crime. The police dispatcher broadcast the call on the radio, and a K-9 unit, patrolling nearby, was the first to respond.

As the K-9 officer approached the house with his dog on a leash, the blonde ran out on the porch, shuddered at the sight of the cop and his dog, then sat down on the steps. Putting her face in her hands, she moaned, 'I come home to find all my possessions stolen. I call the police for help, and what do they do? They send me a BLIND policeman!'

## Branch 340 Ladies Auxiliary

*Bittersweet memories – the end of an era creates a trickle-down affect*

By Sandy Lindsay - May 13, 2023

For the Port Elgin Ladies Auxiliary, it was a bittersweet time when they once again were able to help out several local charities, but for the last time as the **Auxiliary surrenders its Charter**.

The Auxiliary has supported the charities for many years and, on Thursday, May 11th (2023), disbursed their final funds available.

	
<p>(R) Jenna Leigh (Huron Shores Hospice) receives \$1,000 donation from Auxiliary member Sue Hamer</p>	<p>(L) Vicky Taylor, Auxiliary Treasurer presents \$1,000 donation to Norma Dudgeon of the Port Elgin Cenotaph Park</p>

“The funds and support over the years have really impacted health care,” said Amy McKinnon of Owen Sound Hospital Foundation. “All the funds donated have gone directly to equipment needs, and this is a sad day for everyone.”

Derek Moore of the Operation Dog Service training said, “The Ladies Auxiliary has a lot to be proud of and it’s a huge loss for a branch to not have an Auxiliary. We are very appreciative of this donation (\$5,000) as we have trained over 40 service dogs at a cost of \$30-\$40,000 each so donations like this are crucial. We are sorry to see the Port Elgin Ladies Auxiliary leave.”

“Saugeen Track & Field Club has existed for 45 years,” said Brian Hilbers who has been with the club for 20 years. “The Legion has been our biggest supporter and hosted the annual track meet for many years. This year, we will have 15 athletes competing at the university level in North America. We are sad to see the end of the Auxiliary.”

Norma Dudgeon, a member for over 40 years and who accepted a donation on behalf of the Port Elgin Cenotaph Park explained how the cenotaph had been moved from the Port Elgin Library by the Legion branch, to a site of its own in the Park. “It was quite an undertaking but we did it with great pride and with the help of the Auxiliary all the way. Funds we have received over the years have gone toward the Park’s maintenance and for things like shrubs and flowers to beautify it. Over the many years, the Auxiliary have shared laughter and tears and we are so sorry to see them leave.”

The Legion Ladies Auxiliary in a Legion Branch is most often seen as the backbone of the branch with the work behind the scenes. Among their many works are fundraising in support of the branch and many local charitable organizations, catering social events such as celebrations of life, wedding receptions and social events held at the branch and marching in November 11th Remembrance Day parades. Whenever volunteers are needed in Legion branches, the Auxiliary has been there.

Most joined at a time when the Legion helped those veterans returning from war. It was also a time when the wives of servicemen could “pitch in and help their Legion branches” through fundraising to help the veterans arriving back home and it became a social time for many who had been stay-at-home mothers raising their children while their men were at war.”

“It’s another time,” said Port Elgin Auxiliary Treasurer, Vicky Taylor. “Unfortunately, the younger people today don’t seem to be as enthusiastic when it comes to joining organizations like this. The Auxiliary knows we aren’t the only ones going through this but it is still hurtful. All those charities that we have helped through the years will no longer have our support ... it is a real trickle down effect.”

“Oh well,” said Taylor, her eyes welling up with tears, “it is what it is. Age catches up with all of us and many of our members, now in their 80s and who have been the most active, simply cannot keep up the work and, so ... we have to move forward.”

## We Will Remember Them

WWII Deaths of men in uniform from Port Elgin and area.

### Lloyd Sylvester Ernst

Surprisingly there were six men from Port Elgin that died in WWII while serving as members of aircraft crews in either the Canadian or British Airforce.

Lloyd Sylvester Ernst – Lloyd was born in Kenaston Saskatchewan on Dec. 4, 1921. His father was an Evangelical minister. They moved to Port Elgin when he was quite young, and he received his education here finishing High School where he received his Senior Matriculation. He worked at Mackenzie Dairy before venturing to Toronto, where he worked as a restaurant waiter before enlisting in the RCAF on Nov. 20, 1940.

He was readily accepted by the recruitment officer who wrote that he was “clean cut, above average intelligence and very self-confident”. Over the next 8 months he received training and graduated on August 8, 1941, when he passed Air Observers School. He arrived in England on February 9, 1942. Lloyd then attended Officer Training School until June 26th when he joined the 78th Royal Air Force Squadron. The Squadron was flying the large 4 Engine Handley Paige Halifax Bombers. They flew bombing mission overseas, mostly on Germany, from their base in Linton-on-Ouse in North Yorkshire. During the war more than 1,200 Halifax Bombers were lost during bombing missions. It was on September 25, 1942, that the Halifax Bomber of Lloyd and its other crew members did not return and were declared missing. He was only 20 years of age.

Two days later they were reported as “presumed dead”. Like Norman Hettrick, Lloyd is memorialized on the Runnymede Memorial in Englefield Green in Surrey. There are 20,456 members of Commonwealth Aircrews remembered there who have no known graves. Included are 3,031 Canadians. Lloyd’s name is listed on Panel 103 in the beautiful garden area.

**Only A Dad**  
By: Edgar Guest

Only a dad, with a tired face,  
Coming home from the daily race,  
Bringing little of gold or fame,  
To show how well he has played the game,  
But glad in his heart that his own rejoice  
To see him come, and to hear his voice.

Only a dad, with a brood of four,  
One of ten million men or more.  
Plodding along in the daily strife,  
Bearing the whips and the scorns of life,  
With never a whimper of pain or hate,  
For the sake of those who at home await.

Only a dad, neither rich nor proud,  
Merely one of the surging crowd  
Toiling, striving from day to day,  
Facing whatever may come his way,  
Silent, whenever the harsh condemn  
And bearing it all for the love of them.

Only a dad, but he gives his all  
To smooth the way for his children small,  
Doing, with courage stern and grim,  
The deeds that his father did for him.  
This is the line that for him I pen,  
Only a dad, but the best of men.

## A Great Lesson on Stress

A young lady confidently walked around the room with a raised glass of water while leading a seminar and explaining stress management to her audience. Everyone knew she was going to ask the ultimate question, 'Half empty or half full?' She fooled them all. "How heavy is this glass of water?" she inquired with a smile. Answers called out ranged from 8 oz. to 20 oz.

She replied, "The absolute weight doesn't matter. It depends on how long I hold it. If I hold it for a minute, that's not a problem. If I hold it for an hour, I'll have an ache in my right arm.

If I hold it for a day, you'll have to call an ambulance. In each case it's the same weight, but the longer I hold it, the heavier it becomes."

She continued, "and that's the way it is with stress. If we carry our burdens all the time, sooner or later, as the burden becomes increasingly heavy, we won't be able to carry on."

"As with the glass of water, you have to put it down for a while and rest before holding it again. When we're refreshed, we can carry on with the burden - holding stress longer and better each time practiced.

So, as early in the evening as you can, put all your burdens down. Don't carry them through the evening and into the night. Pick them up again tomorrow if you must.

- 1 \* Accept the fact that some days you're the pigeon, and some days you're the statue!
- 2 \* Always keep your words soft and sweet, just in case you have to eat them.
- 3 \* Always read stuff that will make you look good if you die in the middle of it.
- 4 \* Drive carefully... It's not only cars that can be recalled by their Maker.
- 5 \* If you can't be kind, at least have the decency to be vague.
- 6 \* If you lend someone \$20 and never see that person again, it was probably worth it.
- 7 \* It may be that your sole purpose in life is simply to serve as a warning to others.
- 8 \* Never buy a car you can't push.
- 9 \* Never put both feet in your mouth at the same time, because then you won't have a leg to stand on.
- 10 \* Nobody cares if you can't dance well. Just get up and dance.
- 11 \* Since it's the early worm that gets eaten by the bird, sleep late.
- 12 \* The second mouse gets the cheese.
- 13 \* When everything's coming your way, you're in the wrong lane.
- 14 \* Birthdays are good for you. The more you have, the longer you live.
- 15 \* Some mistakes are too much fun to make only once.
- 16 \* We could learn a lot from crayons. Some are sharp, some are pretty and some are dull. Some have weird names and all are different colors, but they all have to live in the same box.
- 17 \* A truly happy person is one who can enjoy the scenery on a detour.
- 18 \* Have an awesome day and know that someone has thought about you today.

## AND MOST IMPORTANTLY

- 19\* Save the earth..... It's the only planet with chocolate!\*
